Newsletter 2024-2

WAVMA ESC - Student Support Subcommittee

Greetings Student Chapters!

As we embark on our third quarter of the year, we want to ensure that we're keeping you updated with all WAVMA ESC activities. One key way to stay connected is by participating in WAVMA activities, keeping active or reactivating your Student Chapter.

We value your involvement and look forward to seeing all Student Chapters end the year with valuable learning in Aquatic Medicine!

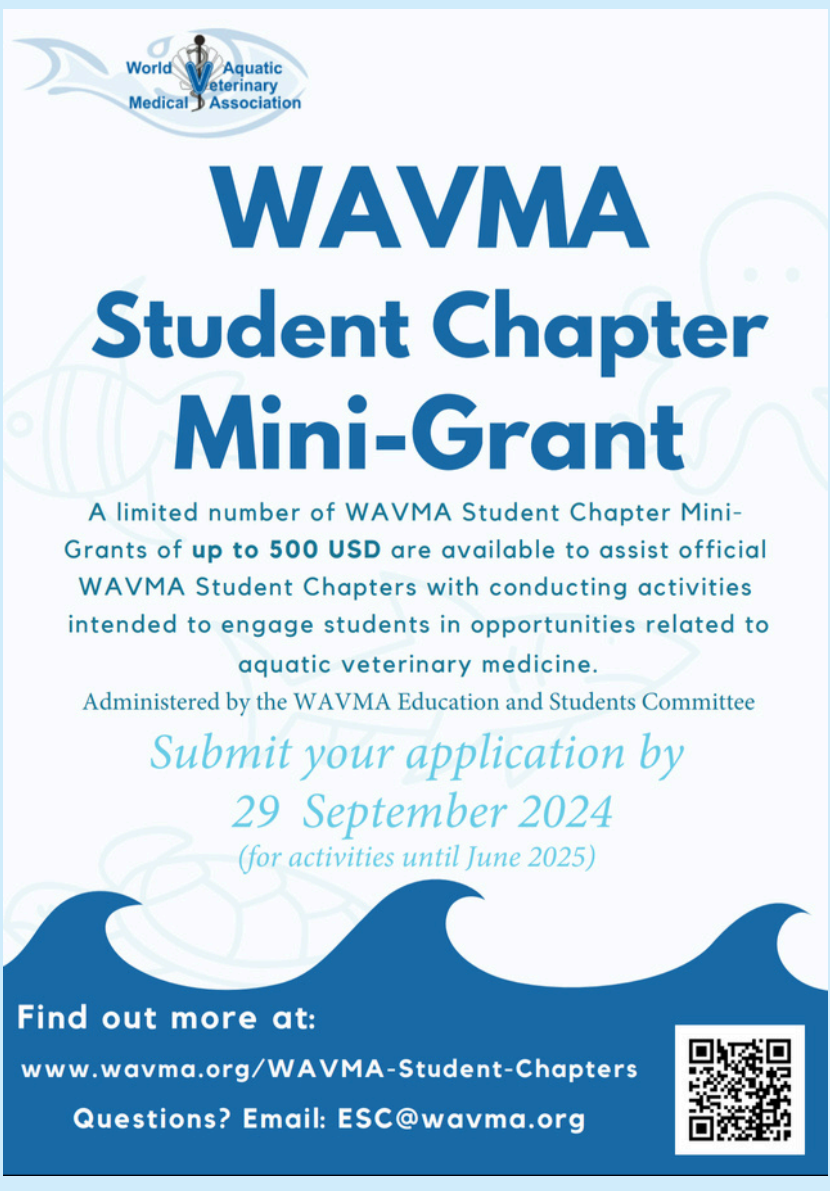

For any question regarding how to keep active or reactivate a Student Chapter, please contact our WAVMA ESC - Student Support Subcommittee at escobedo.mem@gmail.com

Participate in the Student Support Subcommittee

If you are interested in being part of this or other ESC - Subcommittee, please contact our WAVMA ESC Vice Chair Rachel Feeney at rzf3@msstate.edu

What's going on in WAVMA Student Chapters?

Share your activities!

We invite all our Student Chapters to share their exciting activities during 2024 with the WAVMA community! If your Chapter has had memorable experiences or successful events that you'd like to showcase in this newsletter, please contact our WAVMA ESC - Student Support Subcommittee to feature them in our next number.

We look forward to hearing from you!
